

MEDIKABUZZ

A monthly byte for healthcare professionals

Issue 7 | February 2019

FLASHLIGHT!

THE HATTRICK!

The Medikabazaar team receiving the accolade

The trifecta trophy for "Most Emerging Company in Healthcare"

A moment of great significance for Medikabazaar as we won the "Most Emerging Company in Healthcare" at the 9th MT India Healthcare Awards 2019. With this award, we complete a trifecta of accolades at this particular event. In 2017 we were recognized as the "Healthcare IT Company of the Year" after which we bagged two consecutive "Most Emerging Healthcare Company in Healthcare" in 2018 and 2019.

We are proud but humbled as we continue our tireless journey towards our goal of making healthcare affordable and accessible for everyone across India!

ICCN 2019: MEDIKABAZAAR PARTNERS WITH CBC GROUP FOR INNOVATIONS IN NEUROSURGERY

Dr. Anil Sangli at our booth

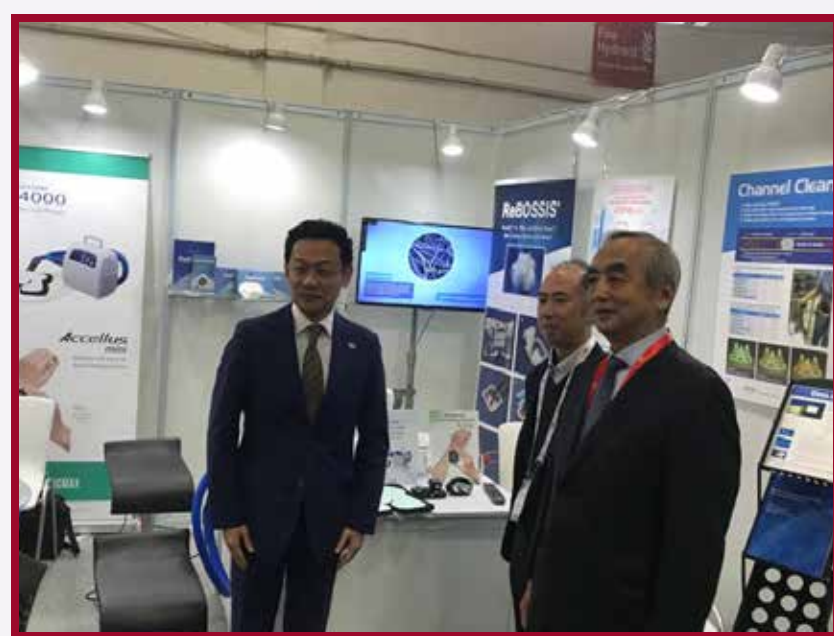

Representatives of Medikabazaar, CBC Group and Charmant at ICCN

The 2nd International Conference on Complications in Neurosurgery (ICCN) took place at the JW Marriot, Andheri, from 25th-27th January 2019. The prestigious event brought together esteemed neurosurgeons from India and around the world for engaging discussions on the various social, geographical, cultural, and economical issues affecting the neurosurgical practice.

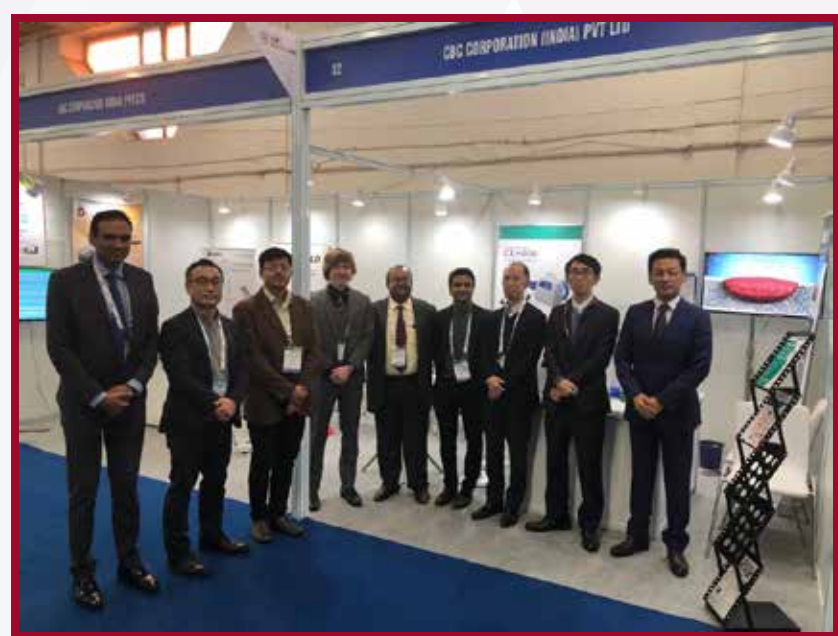

Medikabazaar participated at the prestigious event in association with the CBC Group, a multi-sector conglomerate. We were also joined by representatives of leading Japanese manufacturers **Charmant**, who also showcased their wide-range of innovative and intricately-designed neurosurgical products. Medikabazaar has a partnership with Charmant.

We were fortunate to meet renowned neurosurgeon, Dr. Anil Sangli who came to our booth and experienced our range of products from reputed international brands such as Nouvag AG, and Buffalo Filter to name a few.

CII HEALTH TECH 2019: A SPECIAL VISIT FROM JAPAN

Ambassador of Japan to India, Kenji Hiramatsu (extreme right)

Medikabazaar, CBC Group and Charmant representatives at CII

The mecca of multi-industry and multi-cultural events, Pragati Maidan, New Delhi hosted the revered 2nd edition of Health Tech 2019, organized by the Confederation of Indian Industry (CII) from 3rd-5th February. The engrossing three-day event brought together major stakeholders from the Indian medical guild such as doctors, medical supplies manufacturers, and policy makers for discussions on pivotal topics such as cyber security, implementation of Artificial Intelligence (AI) in healthcare.

Medikabazaar was proud to be an active participant at the event where we showcased our extensive range of innovative medical products from eminent international companies. Health Tech 2019 was the perfect event for us as it focused on exhibiting the latest medical products and services with high-end technology, in the Indian healthcare industry.

The event was a special one for us as the Ambassador of Japan to India, Kenji Hiramatsu visited our booth. We were thrilled to share with him, Medikabazaar's concept of online procurement while introducing him to our products as well.

AHPI AND MEDIKABAZAAR LAUNCH HOSPITAL DIRECTORY FOR 2019

Medikabazaar Founder & CEO, Vivek Tiwari inaugurating the hospital directory with AHPI Director General, Girdhar Gyani (extreme left) & other distinguished personalities

Vivek Tiwari with Girdhar Gyani at the AHPI Conclave

Medikabazaar is proud to announce that we are the authorized Value-based Purchase Organization (VPO) for the member hospitals of the Association of Hospital Providers (India) (AHPI). As a part of this new-found partnership we carried out an extensive verification process of hospitals and medical colleges in the country for the official AHPI Hospital Directory for 2019. Our Founder and CEO, Vivek Tiwari along with the Medikabazaar leadership, inaugurated the directory at on 15th February, at Hotel Radisson Blu, New Delhi, in the presence of AHPI Director General, Shri Girdhar Gyani, Minister and Retd. Indian Army General V.K. Singh and other eminent personalities.

WE'RE FOSTERING INNOVATIONS AT MEDICAL FAIR INDIA 2019

Upcoming startups showcasing their innovations at the Medikabazaar pavilion

Medikabazaar's 1200 sq.ft. pavilion at Medical Fair India 2019

Being a member ourselves, it was an exciting moment as we were the Innovation Partners for Medical Fair India 2019, New Delhi, one of the largest medical events in the country organized by MedicaAlliance, a German conglomerate which coordinates such events all over the world.

Our expansive pavilion at Pragati Maidan, hosted nine upcoming startups such as Caresoft (healthcare solutions provider), xEye Innovations (medical imaging devices) where they exhibited their novel products/services to a distinguished audience of doctors and manufacturers from India and abroad. We also demonstrated and showcased our range of innovative MedTech devices from leading international brands.

Our Founder & CEO, Vivek Tiwari along with other members of the Medikabazaar leadership networked with prominent industry experts such as Col. Hemraj Parmar, CEO of BR Life, Jyoti Singh, Director of EMSOS, and shared with them Medikabazaar's concept and its VPO services.
